

ALAN FLEMING SENIOR OPEN CLAY COURT STATE

# CHAMPIONSHIP

PRESENTED BY THE TOWN OF SEABROOK ISLAND

OCTOBER 2 - 6, 2019

The Alan Fleming Tournament is a United States Tennis Association (USTA) sanctioned tournament and was recently named South Carolina's Adult Tournament of the year, the third time it has received that award.

This popular tournament is a South Carolina Level 1 State Championship and Southern Level 200 Point Tournament. For amateur players the mixed doubles division represents the tennis association's highest amateur level competition.

Player surveys from the nearly 250 ranked players in the 2018 tournament explain both the Fleming's longevity and continuing popularity:

**"It is always well-run. Probably the best tournament of the year!"**

**"Level of play, layout and condition of the courts..."**

**"The ability to play and watch some excellent tennis involving some of the best players in South Carolina and other states."**

**"I most enjoy the people I've seen over the years and having an opportunity to play against them on beautiful courts."**

**"It's just an outstanding tournament all the way around and supports a great charity."**

**"Strength of draw, location, hospitality. Immaculate facility and courts."**

**"Everything. Thankfully also could play golf at these great golf courses."**

**"Well-run. Player friendly. Competition."**

**"This is my first time playing the Fleming and all that I heard was true – that this is the best tournament in the South!!"**
